Love love love  
Love love love  
Love, love, love: it's easy

All you need is love.  
All you need is love  
All you need is love, love  
Love is all you need

All you need is love  
All you need is love  
All you need is love, love  
Love is all you need

There's nothing you can do that can't be done  
Nothing you can sing that can't be sung  
Nothing you can say but you can learn how to play the game.  
It's easy

There's nothing you can make that can't be made  
No one you can save that can't be saved  
Nothing you can do but you can learn how to be you in time  
It's easy

All you need is love  
All you need is love  
All you need is love, love
